

Zenith

Folding arm
awning with
cassette

A stunning fully cassetted system, ideal for large applications.

Ideal for larger residential and commercial applications up to 12 metres wide and 4.35 metres arm length.

Zenith Cassette folding arm awnings

A retractable awning with full closing box on a rectangular bar for extra strength. Functional and reliable this awning has a tipping system that ensures a completely perfect closing of the bottom bar even in the case of maximum inclination of the awning. Available with or without a back cover.
